

CPF : Sector reclassification

According to Charoen Pokphand Foods Public Company Limited (CPF) has requested the SET to change its sector from the "Agribusiness" sector to the "Food and Beverage" sector, in order to be in line with the Company's business strategy and revenue structure which food business is higher than agricultural business.

Therefore, in order to better clarify the CPF's revenue structures, along with its business operations, the SET will transfer CPF, effective from 1 April 2010, to the "Food and Beverage" sector under the Agro & Food Industry group according to the company's request.
