

Thai bourse closely monitors trading of TMB shares

"Recently, the price and volume traded of TMB Bank PCL (TMB) shares have increased considerably, while the media reports that somebody is interested in buying TMB stock from the Ministry of Finance. The Stock Exchange of Thailand (SET) has checked on trading of TMB stock and closely coordinated with TMB and the related organizations. TMB has notified on the issue and SET disseminated the information to investors on July 16," revealed SET President Charamporn Jotikasthira.

"At present, TMB price and volume traded continue to rise. If there is further news or information that might affect share prices and investors' decision-making, SET will coordinate with TMB to disclose the information. Investors should follow the news distributed through SET in their decision-making," he concluded Mr. Charamporn.
