

Transaction by Investor Group, Primary Market VS Secondary Market, (SET & mai)

This table shows the transaction values of local and foreign investors in the Thai stock market. It shows the net values of equity investments, which are then further classified into monthly transaction values in the primary market, monthly net buy values in the secondary market and the total monthly transaction values of both markets .

2009

(Unit: M. Baht)

Month	Local Investors			Foreign Investors
