

NOTIFICATION OF THE STOCK EXCHANGE OF THAILAND

**Re : Rules, Conditions and Procedures Governing Submission of
Information of Listed Companies**

By virtue of Clause 4 and Clause 6 of the Regulations of the Stock Exchange of Thailand Re : Rules, Conditions and Procedures Governing Disclosure of Information and any Actions of Listed Companies dated September 15, 1995, the Stock Exchange of Thailand hereby issues the following requirements:

1. The submission by the listed company of any significant information which affects or will affect the rights and interests of securities holders or the investment decision or the price of listed securities, as required by the Exchange under the Regulations of the Exchange governing the rules, conditions and procedures relating to disclosure of information and any actions of listed companies, shall be made through the Exchange's ELCID (Electronic Company Information Disclosure) or any other system as specified by the Exchange.

In submitting information according to the procedure under the first paragraph, the listed company shall also simultaneously submit to the Exchange such information through telefax. In this regard, the person authorized to report the information of the listed company must sign to certify the information submitted.

2. After the Exchange has received the complete information of the listed company which is submitted through the procedure under Clause 1, the Exchange will publish such information to general investors.

The publicity of the information submitted according to the procedure under this Notification does not purport that the Exchange certifies the accuracy of such information.

This Notification shall come into force on the 1st day of January 1996.

Notified on this 1st day of December 1995.
