**6. Benefit expected to be generated:
from the transaction**

After the transaction, the Company holds 7.15% in MK, a real estate company listed in the SET. This investment benefits the Company in the form of greater risk diversification from Prospect's existing warehouses/factories rental business. MK is an experienced real estate developer in the housing segment with a strong financial position, a positive operating performance and a history of continued dividend payments. This will enhance the Company value for its shareholders.

7. Use of funds received from:
disposed transaction
- The Company received shares of MK paid in kind for Prospect shares. The MK shares are listed and can be traded on the SET. However, the Company's intention is to hold MK in the long term and has no plan to sell this investment.
8. Conditions of transaction:
- Shareholders' meeting of MK approves the transaction.
 - This transaction is classified under class 2 under the notification of the Capital Market Supervisory Board of TorJor. 20/2551 re Criteria for Carrying out a Signification Transaction that is in the Category of Acquisition or Disposition of Assets dated 31 August 2008 and the Notification of the Board of Governors of the Stock Exchange of Thailand re Disclosure of Information and Other Acts of Listed Companies Concerning the Acquisition or Disposition of Assets of 2004 dated 29 October 2004. Therefore, the Company has the duty to make a report and disclose information of such transaction to the SET immediately and shall deliver to the shareholders the information memorandum within 21 days from the date of the disclosure made to the SET.
9. Opinion of the Board of Directors:
- The Board of Directors has considered and approved the disposal of the Company's investment in Prospect in return for MK shares. The Board commented that this transaction benefits the Company in the form of greater risk diversification from Prospect's exiting warehouses/factories rental business.
- MK is an experienced real estate developer in the housing segment with a strong financial position, a positive operating performance and a history of continued dividend payments. This will enhance the Company value for its shareholders.

10. Opinion of the Audit Committee: - none -
and/or Board of Directors that is
different from opinion of the Board of
Directors

Please be informed accordingly.

Yours sincerely,
Finansa Public Company Limited
