Dear SET President,

Following the Civil Aviation Authority of Thailand (CAAT) announcement prohibiting international flights into Thailand until 30 June 2020, Thai Airways International Public Company Limited (THAI) has to suspend operations for one more month in June 2020.

However, the resumption in July 2020 is still under consideration. THAI is monitoring the situation, preventive measures and lockdowns of each country as well as travel demand closely in order to resume services as the COVID-19 situation improves. THAI has measures in place in preparation for the resumption of passenger service. The official schedule will be announced later. Currently, THAI operates chartered flights to bring stranded Thais home and cargo flights to support Thai farmers by delivering their agricultural produce.

Please be informed accordingly.

Sincerely,

(Nattapong Samit-Ampaipisarn)
