If the Company or the Agent Receiving Exercise Intention cannot collect such payment in whatsoever case due to no fault of the Company or the Agent Receiving Exercise Intention, the Company will consider that such STARK-W1 Warrant Holder intends to cancel his/her respective intention to exercise the right to purchase the newly issued ordinary shares. In such case, the Company or the Agent Receiving Exercise Intention will return the STARK-W1 Warrants together with the personal check, cashier's check, or draft which could not be collected, to such STARK-W1 Warrant Holder within 14 days from the respective Exercise

Date. The Company shall deem that such STARK-W1 Warrant(s) is nullified without being exercised. The Company or the Agent Receiving Exercise Intention shall not in any case be responsible for any interest and/or any damages.

(d) The STARK-W1 Warrant Holders shall be responsible for the stamp duty or any tax (if any) in accordance with the Revenue Code, any applicable regulations or laws governing the exercise of the right to purchase newly issued ordinary shares under the STARK-W1 Warrants.

(e) Supporting documents required for the exercise of the warrants

1) Thai individual : A certified true copy of a valid identification card or governmental officer identification card / state enterprise officer identification card (in the case of any name/surname change which causes the name/surname to be different from the name/surname appearing on the STARK-W1 Warrants, a certified true copy of any document issued by the governmental authority, e.g., certificate of name/surname change must be attached.)

2) Non-Thai individual : A certified true copy of a valid foreigner certificate or passport

3) Thai juristic person : (a) A certified true copy of the affidavit issued by the Ministry of Commerce within a period of no longer than 6 months prior to each Exercise Date, duly signed by the authorized signatory(ies) as appeared in the Company's affidavit and affixed with the seal of such juristic person (if any); and

Documents under sub-paragraphs 4) (a) and 4) (b), which are certified as true copies by the authorized signatory(ies), shall be notarized by the Notary Public within a period of no longer than 6 months prior to each Exercise Date.

- 1.3.7 The number of units of the STARK-W1 Warrants to be exercised shall be a whole number only. The exercise ratio shall be every 1 unit of STARK-W1 Warrants for 1 newly issued ordinary share, except in the case that the exercise ratio is adjusted pursuant to the conditions concerning the rights adjustment in Clause 2.
- 1.3.8 The number of newly issued ordinary shares issued upon the exercise of warrants shall be calculated by dividing the amount of money received from the STARK-W1 Warrant Holders for the exercise of the STARK-W1 Warrant as described above by the Exercise Price. The Company shall issue the newly issued ordinary shares in a non-fractional number not exceeding the number of units of the STARK-W1 Warrants times multiplied by the exercise ratio. If there is an adjustment of the exercise price and/or exercise ratio causing ordinary shares to be in fractions after the calculation, such fractions shall be rounded down, and the Company shall refund the money remaining from such exercise, without any interest, to the respective STARK-W1 Warrant Holder within 14 days from the respective Exercise Date pursuant to the procedures and conditions to be specified by the Company and/or the Agent Receiving Exercise Intention.

Nevertheless, in any case, in connection with the money remaining from the exercise of warrants; if the checks have been duly dispatched via registered mail to the address specified in the form of notice of the intention to exercise the warrants, or the money is received but the STARK-W1 Warrants are not exercised or are not able to be exercised, it shall be deemed that the STARK-W1 Warrant Holder has duly received such refund of money and the STARK-W1 Warrant Holder shall no longer have rights to claim any interest and/or damages in respect thereof.

- 1.3.9 If the Company and/or the Agent Receiving Exercise Intention receives the documents specified in Clause 1.3.6 (e) for notification of the intention to exercise the warrants that are incomplete or incorrect; or the amount that the Company received is not full payment as specified in the form of notice of intention to exercise the warrants, or it can be proved that the information contained therein is incomplete or incorrect, or the stamp duties attached thereto (if any) are not in compliance with the Revenue Code, applicable regulations or laws, the STARK-W1 Warrant Holders, shall correct such error within the Period for the Notice of the Intention to Exercise the Warrants. If the STARK-W1 Warrant Holder fails to correct the error within such period, the Company shall deem that such STARK-W1 Warrant Holder intends to cancel the exercise of warrants. In such case, the Company

and/or the Agent Receiving Exercise Intention shall return the STARK-W1 Warrants together with the money received to such STARK-W1 Warrant Holder within 14 days from the relevant Exercise Date pursuant to the procedures and conditions to be specified by the Company and/or the Agent Receiving Exercise Intention. Such STARK-W1 Warrant(s) shall be nullified without being exercised. The Company and the Agent Receiving Exercise Intention shall not in any case be responsible for the interest and/or any damages.

However, in the case that the STARK-W1 Warrant Holder fails to make full payment, the Company and/or the Agent Receiving Exercise Intention shall be entitled to take any of the following actions as they deem appropriate:

- (a) To deem that the notification of intention to exercise under the STARK-W1 Warrants is nullified without being exercised; or
- (b) To deem that the number of the ordinary shares subscribed for is equal to the payment amount received from the exercise in accordance with the Exercise Price; or
- (c) To require the STARK-W1 Warrant Holder to make additional payment in full according to the rights he/she wishes to exercise within the respective Period for the Notice of the Intention to Exercise the Warrants. If the Company or the Agent Receiving Exercise Intention do not receive the payment in full within such period, it shall be deemed that such STARK-W1 Warrant(s) is nullified without being exercised. The Company and/or the Agent Receiving Exercise Intention shall not in any case be responsible for the interest and/or any damages.

In the case of (a) and (c), the Company and/or the Agent Receiving Exercise Intention shall return the sum of money received, without any interest, to the STARK-W1 Warrant Holder within 14 days from the respective Exercise Date pursuant to the procedures and conditions specified by the Company and/or the Agent Receiving Exercise Intention.

Nevertheless, in any case, if the delivery of check, in connection with the money remaining from the exercise of warrants; or the money received but the Warrants are not exercised or are not able to be exercised, has been duly dispatched via registered mail to the address specified in the form of notice of the intention to exercise the warrants, it shall be deemed that the STARK-W1 Warrant Holder duly receives such refund of money and the STARK-W1 Warrant Holder shall no longer have rights to claim any interest and/or damages in respect thereof.

In the case of (b), it shall be deemed that the newly issued ordinary shares are partially exercised, and the STARK-W1 Warrant Holder waives his/her right to purchase the remaining newly issued ordinary shares. The Company and/or the Agent Receiving Exercise Intention shall not in any case be responsible for the interest and/or any damages.

1.3.10 When the STARK-W1 Warrant Holder, who wishes to exercise the rights to purchase newly issued ordinary shares, has complied with all conditions concerning the notification of the intention to exercise the STARK-W1 Warrants, i.e., the STARK-W1 Warrants certificate together with the form of notice to exercise the STARK-W1 Warrants including the required supplemental documents pursuant to Clause 1.3.6 e. have been submitted, and the full payment of the exercise price has been duly made, the STARK-W1 Warrant Holder shall be unable to revoke the exercise of Warrants unless prior written consent from the Company is obtained.

1.3.11 When the STARK-W1 Warrant Holder has failed to fulfil and comply with all conditions concerning the notification of the intention to exercise the STARK-W1 Warrants after the lapse of the last Exercise Date, it shall be deemed that such STARK-W1 Warrant(s) is nullified without being exercised and the STARK-W1 Warrant Holder shall no longer be able to exercise the rights under the STARK-W1 Warrants.

1.3.12 The Company shall register the increase in its paid-up capital with the Ministry of Commerce in the amount in accordance with the number of the newly issued ordinary shares issued upon the exercise of the STARK-W1 Warrants within 14 days from the date the Company received the payment of the exercise price, and the Company shall arrange the share registrar of the Company to register the STARK-W1 Warrant Holders as shareholders of the Company in the Register Book according to the number of newly issued ordinary shares issued upon the exercise of the STARK-W1 Warrants.

In this regard, the Company shall also submit an application for listing the newly issued ordinary shares issued in accordance with the exercise of the STARK-W1 Warrants on the SET within 30 days from the respective Exercise Date.

The newly issued ordinary shares issued upon the exercise of the STARK-W1

Warrants shall carry the same rights in all respects as the existing ordinary shares of the Company, commencing from the date on which the registration of the names of the STARK-W1 Warrant Holders or the rights receiver as shareholders of the Company register the increase of the paid-up capital from newly issued ordinary shares issued upon the exercise of the STARK-W1 Warrants with the Ministry of Commerce.

1.3.13 In the event that the number of newly issued ordinary shares allocated for the exercise of rights is not sufficient to accommodate the exercise of the STARK-W1 Warrants, the Company shall be responsible for damages to the STARK-W1 Warrant Holders who are unable to exercise their rights under the Warrants pursuant to Clause 6.

However, the Company shall not be responsible for any damages to non-Thai STARK-W1 Warrant Holders (both individuals and legal entities) who are unable to exercise their rights under the STARK-W1 Warrants even with the sufficient number of new ordinary shares, as a result of the restriction on non-Thai shareholding ratio as specified in the Company's Articles of Association.

2. Conditions of the Adjustment of Rights under the STARK-W1 Warrants

The Company shall consider adjusting the exercise price and/or the exercise ratio to purchase the Company's newly issued ordinary shares (or adjustment of the number of STARK-W1 Warrants in lieu of the exercise ratio) at any time throughout the term of the STARK-W1 Warrants, if any of the events set out below occurs. In this respect, the adjustment shall be made for the purpose of ensuring that the interests of the STARK-W1 Warrant Holders are no less favorable than those currently available to them.

2.1 In the case of a change in par value of the Company's ordinary shares as a result of a combination or split of shares, the adjustment of the exercise price and exercise ratio shall become effective immediately once the change of the share par value has been registered with the Ministry of Commerce. From the Adjustment of Rights, the STARK-W1 Warrant Holders will receive the same amount of shares as if the change of the share par value had not occurred.

(1) The exercise price shall be adjusted in accordance with the following formula:

$$\text{Price 1} = \frac{\text{Price 0} \times (\text{Par 1})}{\text{Par 0}}$$

(2) The exercise ratio shall be adjusted in accordance with the following formula:

$$\text{Ratio 1} = \frac{\text{Ratio 0} \times (\text{Par 0})}{\text{Par 1}}$$

Price 1	represents	the new exercise price after the change;
Price 0	represents	the former exercise price prior to the change;

2.2 In the case that the Company offers newly issued ordinary shares to its existing shareholders and/or to the public and/or to specific investors through a private placement at **“the net price per share of the newly issued ordinary shares”** which is below 90 percent of **“the market price per share of the Company's ordinary shares”**. The adjustment of the exercise price and exercise ratio shall be effective immediately from the first day on which the purchasers of the ordinary shares are not granted the rights to subscribe for the newly issued ordinary shares (the first day that the SET posts XR sign) in the case of offering to its existing shareholders (Rights Offering) and/or on the first day of the offering of the newly issued ordinary shares in case of a public offering and/or a private placement, as the case may be.

“The net price per share of the newly issued ordinary shares” shall be calculated from the total amount of proceeds the Company receives from the offering of the ordinary shares less the amount of expenses incurred from the offering of such securities (if any), then divided by the total number of the newly issued ordinary shares.

“The market price per share of the Company’s ordinary shares” means the trading value of the Company’s ordinary shares, divided by the total number of the Company’s ordinary shares which have been traded on the SET during the period of 15 consecutive Business Days prior to the date of the calculation.

If “the market price per share of the Company’s ordinary shares” cannot be determined because there is no trading of the ordinary shares during such period of time, the Company shall determine the fair value of the Company’s ordinary shares to be used, as a substitute, for the calculation.

“Fair value” means the appraisal price determined by the financial adviser and which the Office of the SEC has approved.

(2) The exercise ratio shall be adjusted in accordance with the following formula:

shareholders' equity, income tax from operating results for any relevant fiscal year throughout the term of the STARK-W1 Warrants.

The adjustment of the exercise price and the exercise ratio shall become effective immediately from the first day on which the purchasers of the Company's ordinary shares shall not be entitled to receive such dividend (the first day on which the SET posts XD sign).

"The date of the calculation" means the first day on which the purchasers of the Company's ordinary shares shall not be entitled to receive dividends (the first day on which the SET posts the XD sign).

In such a case, the Company's decision on such matter shall be deemed as final.

In the case of such adjustment of rights, the Company will inform the Office of the SEC, the SET, and the STARK-W1 Warrant Registrar to acknowledge such details within 15 days from the date on which the condition of such adjustment has occurred.

2.7 The calculation of the adjustment of the exercise price and/or the exercise ratio pursuant to Clauses 2.1 to 2.6 shall be independent of one another. In the event that any two events or more occur at the same time, the calculation must be made in the following order: Clauses 2.1, 2.5, 2.4, 2.2, 2.3, and 2.6. In calculating the adjustment in sequential order set forth, the exercise price and the exercise ratio shall be kept to within three decimal places.

2.8 The calculation of the adjustment of the exercise price and/or the exercise ratio pursuant to Clauses 2.1 to 2.6 shall not be changed in a way that will cause the exercise price to increase and/or the exercise ratio to decrease, except for in the case of the combination of the shares.

In calculating the amount of money payable upon the exercise of the STARK-W1 Warrants, such amount shall be calculated from the new exercise price after the adjustment (to within a maximum of three decimal places) multiplied by the number of ordinary shares, which shall be calculated from the adjusted exercise ratio (to within a maximum of three decimal places) multiplied by the number of the STARK-W1 Warrants being exercised; whereby any decimal fraction of shares resulting from such calculation shall be discarded. With regard to the adjusted exercise price, if there is a remainder of less than THB 1.00, it shall be discarded.

With regard to the adjustment of the exercise price, if the calculation causes the new exercise price to be lower than the Company's share par value, the Company reserves the right to adjust the new exercise price to the Company's share par value, as the new exercise ratio shall be the same exercise ratio calculated pursuant to Clauses 2.1 to 2.6.

- 2.9 The Company may adjust the exercise price simultaneously with the issuance of new warrants to compensate for the adjustment of the exercise ratio.
- 2.10 In adjusting the exercise price and/or the exercise ratio pursuant to Clauses 2.1 to 2.6 and/or the issuance of new warrants to compensate for the adjustment of the exercise ratio pursuant to Clause 2.9, the Company shall inform the SET through the electronic information disclosure system of the SET, the Office of the SEC, and the STARK-W1 Warrant Registrar of the adjustment in writing stating the details of the adjustment, the reasons for the adjustment, the calculation of the new exercise price, the new exercise ratio, the date on which the adjustment of rights becomes effective, and the number of new warrants issued to compensate for the adjustment of the exercise price and/or the exercise ratio within 15 days prior to the date on which the adjustment of the exercise price and/or the exercise ratio becomes effective, and shall send the amended Terms and Conditions to the STARK-W1 Warrant Holders upon request within 15 days after the receipt of such request in writing from the STARK-W1 Warrant Holders. - 3.2 Amendments of the Terms and Conditions in other events

Any amendment of the Terms and Conditions other than those specified in Clause 3.1 requires consent from the Company and a meeting of the STARK-W1 Warrant Holders, which shall be passed by the affirmative votes of not less than half of the total votes of the STARK-W1 Warrant Holders attending the meeting and casting their votes.

- 3.3 Conditions for the Amendments of the Terms and Conditions

Any amendment of the Terms and Conditions shall not be in conflict with Notification No. TorJor. 34/2551 or any regulation of the Office of the SEC including further amendment thereof in the future, except in the case where a waiver is granted.

The Company shall inform and send the amended Terms and Conditions to the Office of the SEC, the SET, and the STARK-W1 Warrant Registrar within 15 days from the date on which the Terms and Conditions pursuant to Clauses 3.1 or 3.2 have been amended (as the case may be) and the Company shall also inform the STARK-W1 Warrant Holders of the amendment of the Terms and Conditions pursuant to Clauses 3.1 or 3.2 through the electronic information disclosure system of the SET on the same date the Company informs the Office of SEC, the SET, and the STARK-W1 Warrant Registrar, and shall send the amended Terms and Conditions to the STARK-W1 Warrant Holders upon request within 15 days from the date on which the Company receives such request in writing from the STARK-W1 Warrant Holders. The Company shall make available copies of the amended Terms and

Conditions at the head office of the Company and the head office of the Agent Receiving Exercise Intention (if any) so that the STARK-W1 Warrant Holders can inspect such copies of the amended Terms and Conditions on the Business Days and during the business hours of the respective places.

- (a) In the event that there is any proposal for amending any material part of the Terms and Conditions either by the Company or the STARK-W1 Warrant Holders pursuant to Clause 2; or
- (b) In the event that a significant event is taking place, which could materially affect the STARK-W1 Warrant Holders or the ability of the Company to comply with its obligations under the Terms and Conditions.

In the event that the Company fails to convene the meeting within 30 days from the date on which the Company becomes aware of an occurrence of the event in (a) or (b) above, the STARK-W1 Warrant Holders, holding in an aggregate number of not less than 25 percent of the total units of the STARK-W1 Warrants that have not yet been exercised at that time, may jointly sign their names in making a letter requesting the Company to convene a meeting of the STARK-W1 Warrant Holders, whereby the letter must clearly specify the reason for requesting to convene such meeting. The Company shall then convene the meeting of the STARK-W1 Warrant Holders within 30 days from the date on which the Company receives such request from the STARK-W1 Warrant Holders. If the Company fails to convene the meeting within such period of time, the STARK-W1 Warrant Holders shall be entitled to convene the meeting of the STARK-W1 Warrant Holders themselves.

In convening a meeting of the STARK-W1 Warrant Holders, the Company shall close the Register Book for a period of no longer than 21 days prior to the date of the STARK-W1

4.2 In convening the meeting of the STARK-W1 Warrant Holders, whether the meeting is convened at the initiative of the Company or the request of the STARK-W1 Warrant Holders, the Company shall prepare a notice of the meeting specifying the meeting venue, date, time, and the name(s) of the person(s) requesting to convene such meeting, as well as the agenda being proposed for consideration at the meeting, and send such notice to each of the STARK-W1 Warrant Holders by registered mail according to the names and addresses appearing in the Register Book and disclose such information through the electronic information disclosure system of the SET not less than 7 days prior to the date of the meeting.

4.3 At a meeting of the STARK-W1 Warrant Holders, the STARK-W1 Warrant Holders entitled to attend and vote at the meeting may appoint a proxy to attend and vote at the meeting on their behalf by preparing a proxy letter in accordance with the form specified by the Company and submitting such proxy letter to the chairman of the meeting or a person appointed by the chairman of the meeting prior to the commencement of the meeting.

A STARK-W1 Warrant Holder who is entitled to vote at a meeting of the STARK-W1 Warrant Holders means a STARK-W1 Warrant Holder whose name appears in the Register Book on the book closure date to identify the Warrant Holders entitled to attend the meeting, and shall not include a STARK-W1 Warrant Holder who has a conflict of interest in any agenda item to be considered and resolved at the meeting.

The Company shall file the application for listing such newly issued ordinary shares with the SET within 30 days from the respective Exercise Date in order to allow the newly issued ordinary shares to be tradable on the SET in the same manner as the Company's existing ordinary shares.

9. How to Proceed with regard to the Remaining Shares Allocated for the Exercise of Warrants from the exercise of the STARK-W1 Warrants

In the case where there are remaining ordinary shares after the exercise of the STARK-W1 Warrants, the Board of Directors of the Company shall propose that the Shareholders Meeting consider proceeding pursuant to the criteria, conditions, and procedures as specified under the Public Limited Companies Act B.E. 2535, or any relevant regulation of the SET and the Office of the SEC.

The rights attached to the new ordinary shares issued upon the exercise of the STARK-W1 Warrants shall carry the same rights in all respects as the existing ordinary shares of the Company, including the rights to receive dividends or other benefits that the Company grants to the shareholders, commencing from the date on which the Ministry of Commerce accepts the registration of the increase of the paid-up capital and the share registrar of the Company records the names of the STARK-W1 Warrant Holders as shareholders of the Company in Register Book. In the event that the Company announces the date for determining the shareholders entitled to receive dividend payment or other benefits prior to the date on which the Ministry of Commerce accepts the registration of such paid-up capital increase and the date on which the share registrar of the Company registers the names of the STARK-W1 Warrant Holders as the shareholders of the Company in the Register Book, the STARK-W1 Warrant Holders shall have no rights to receive such dividend payment or other benefits.

11. Status of the STARK-W1 Warrant Holders following the notification of the intention to exercise the Warrants

From the date on which the STARK-W1 Warrant Holders gives notice of the intention to exercise the STARK-W1 Warrants until the date the Ministry of Commerce accepts the

registration of the paid-up capital increase in accordance with the exercise of the STARK-W1 Warrants, the status of the STARK-W1 Warrants shall remain the same as that of the non-exercised STARK-W1 Warrants and such status will be terminated on the date that the Ministry of Commerce accepts the registration of the paid-up capital increase in accordance with the exercise of the STARK-W1 Warrants.

In the event that the Company adjusts the exercise price and/or the exercise ratio during the period that the Company has not yet registered the newly issued ordinary shares issued upon the exercise of the STARK-W1 Warrants with the Ministry of Commerce, the STARK-W1 Warrant Holders who have already exercised their rights shall receive retroactive rights adjustment. The Company will, as soon as possible, issue additional ordinary shares to the STARK-W1 Warrant Holders in the number that such STARK-W1 Warrant Holders shall be entitled to receive due to the adjustment of the exercise price and/or the exercise ratio (as the case may be) which become effective. However, the STARK-W1 Warrant Holders may receive the additional ordinary shares later than those ordinary shares which were previously allotted but, in any case, no later than 45 days from the date of the rights adjustment.

12. Delivery of newly issued ordinary shares from the exercise of the STARK-W1 Warrants

In exercising the rights of STARK-W1 Warrants to purchase the newly issued Company's ordinary shares, the STARK-W1 Warrant Holders can select one of the following cases to proceed;

- 12.1 In case the STARK-W1 Warrant Holders who have exercised the warrants wish to receive the share certificates in the name of the STARK-W1 Warrant Holders, the Securities Depository will proceed to deliver the share certificates, according to the number of warrants that have been exercised to the STARK-W1 Warrant Holders by registered mail at the address as appears in the Register Book within 15 Business Days as from the last day of the Exercise Date. In this regard, the STARK-W1 Warrant Holders will not be able to sell their ordinary shares derived from the exercise of warrants on the SET until they have received the share certificates, which may be after the date that the ordinary shares are allowed to be traded on the SET.
- 12.2 If the STARK-W1 Warrant Holders who have exercised the warrant for the ordinary shares do not wish to receive the share certificates but intend to use the services of the Securities Depository instead, the STARK-W1 Warrant Holders shall deposit their ordinary shares into

the securities account at the securities companies which the STARK-W1 Warrant Holders have their trading accounts with. In this case, the Securities Depository will proceed to deposit the ordinary shares deriving from the exercises of the warrant with “**Thailand Securities Depository Company Limited for Depositor**”, and the Securities Depository will record the number of ordinary shares that the securities companies have deposited within 7 Business Days as from the last day of the Exercise Date. In this regard, the STARK-W1 Warrant Holders shall be able to sell their ordinary shares resulting from the exercise of rights immediately on the SET, after the SET has approved the trading of those ordinary shares on the SET.

In this regard, the names of the STARK-W1 Warrant Holders who have exercised the warrants shall be the same as appear in the securities trading accounts in which they intended to deposit their ordinary shares. Otherwise, the Company reserves the right to issue the share certificates to the STARK-W1 Warrant Holders pursuant to Clause 12.1 instead.

- 12.3 If the STARK-W1 Warrant Holders who have exercised the warrant for the ordinary shares do not wish to receive the share certificates but intend to use the services of the Securities Depository by depositing the ordinary shares into the Securities Depository, member number 600, the Company will proceed to deposit the ordinary shares, deriving from the exercise of the warrants, at the Securities Depository, and the Securities Depository will record the same number of ordinary shares as have been allocated in the Securities Depository account (member number 600) and will issue evidence of the deposits to the STARK-W1 Warrant Holders who have been allocated the shares within 7 Business Days from the Exercise Date. When the STARK-W1 Warrant Holders who have exercised the warrants wish to sell their shares, they must withdraw their shares from account number 600, as mentioned, through making contact with their securities companies. However, some operating fees may be incurred by the Securities Depository and/or the securities companies. In this case, the STARK-W1 Warrant Holders who have exercised the warrants will be able to sell their shares once the SET has approved the trading of the ordinary shares in the SET, and the STARK-W1 Warrant Holders who have exercised the warrants have completely withdrawn their shares from the account number 600.

13. Secondary market of the offered STARK-W1 Warrants

The Company shall file for approval from the SET to list the STARK-W1 Warrants on the SET within 30 days following the date of allocation of the STARK-W1 Warrants.

14. Restrictions on the transfer of the STARK-W1 Warrants and the exercise of the STARK-W1 Warrants

The Company is not subject to any restriction on the transfer of the STARK-W1 Warrants. However, the Company is subject to a restriction on the exercise of the STARK-W1 Warrants due to the non-Thai shareholding ratio limitation as indicated in the Company's Articles of Association with details as follows;

- (a) The Company shall not issue newly issued ordinary shares to the non-Thai individual/juristic persons who exercise their warrants pursuant to Clause 1.2 that cause the non-Thai limit to exceed 49 percent of the total number of issued and paid-up shares;
- (b) If the restriction under paragraph (a) above causes the non-Thai STARK-W1 Warrant Holders to be unable to exercise their partial or total amount of the STARK-W1 Warrants as specified in the exercise notification form, the Company and/or the Agent Receiving Exercise Intention reserves the rights to return the money from the unexercised STARK-W1 Warrants without interest to the non-Thai STARK-W1 Warrant Holders within 14 days from the Exercise Date in accordance with the procedure and conditions as prescribed by the Company and/or the Agent Receiving Exercise Intention (if any).
- (c) The non-Thai STARK-W1 Warrant Holders shall not be compensated in any form by the Company and/or the Agent Receiving Exercise Intention (if any) in the case of the inability to exercise the STARK-W1 Warrants as a result of the restriction in the shareholding ratio of the non-Thai person as specified in the paragraph above.

15. Effectiveness of the Terms and Conditions and applicable law

The Terms and Conditions shall be in full force and effect from the issuance date of the STARK-W1 Warrants until the last Exercise Date. The Terms and Conditions shall be governed and interpreted in accordance with the laws of Thailand. If any content in the Terms and Conditions is in conflict with any applicable law or any notification governing the Warrants, the content in such law or notification shall prevail only in place of the conflicting content.
