

Changing the trading date of BROOK

The Stock Exchange of Thailand (SET) has earlier granted a listing of THE BROOKER GROUP Public Company Limited 's common shares (BROOK) and certificates representing the rights to purchase shares (BROOK-W1) to be traded on the Market for Alternative Investment (MAI) commencing from September 12, 2001 onwards.

Because the alleged terrorist attack in the United States of America (U.S.A) on 11 September 2001 has greatly affected all world exchanges. Information on this matter remains unclear at present and more clear information is needed to enable careful investment and to avoid an imbalance of advantages and disadvantages among investors regarding such information. As a result, the SET would like to change the listing date of BROOK's securities on the MAI. The new listing date of both common shares (BROOK) and certificates representing the rights to purchase shares (BROOK-W1) will be traded on MAI commencing from 17 September 2001 onwards.
