

SC. 086/59/DT

15 December 2016

Subject: Report for award of the auction

Attention: The Stock Exchange of Thailand

Interlink Telecom Public Company Limited ("ITEL") and Interlink Communication Public Company Limited ("ILINK") in the name of "Interlink Consortium", has entered into the auction of Provincial Electricity Authority of Thailand ("PEA") for the contractor of 24 hours preventive maintenance of fiber optic network for 12 districts Phase 3, tender no PEA-CNM-01/2016, in which the details of won scope of work are as follows.

1. Division 1 North, distance of 6,140 kilometers in total value of Baht 59,844,170 including VAT
2. Division 4 South, distance of 5,380 kilometers in total value of Baht 64,763,449 including VAT

Interlink Consortium has won the bid by offering the lowest amount and expected a contract to be signed in January 2017. The contract has service period of 3 years from the contract date.

Because the auction has been openly bid and to provide investors with a more thorough operation of the Company, we then disclose the above matter through the Stock Exchange of Thailand.

Please be informed accordingly.

Yours sincerely,

(Mr. Nuttanai Anuntarumporn)

Managing Director
