Re: Notification of the dividend payment and the date of determination of unitholders who are eligible to receive the dividend (Record Date) of Digital Telecommunications Infrastructure Fund (DIF)

SCB Asset Management Co., Ltd., the Management Company of Digital Telecommunications Infrastructure Fund (DIF) (the "Fund"), would like to announce the dividend payment and the date of determination of unitholders who are eligible to receive the dividend (Record Date) with details as follows:

1. That the dividend payment of the Fund from the operation period from January 1, 2018 to April 30, 2018 would be at Baht 0.3375 per unit, and the payment date will be on June 5, 2018;
2. That the date of determination of unitholders who are eligible to receive the dividend (Record Date) will be on May 18, 2018.

In this regard, the dividend payment of the Fund has been aligned with the operating results of the financial statements of the first quarter of year 2018 and the projection of the operating performance for April 2018. In addition, the projection of such performance of the Fund has been in the capacity that is achievable with prudence as most of operating revenues and expenses of the Fund have already been specified in accordance with the relevant benefit-seeking agreements. This dividend payment comes from the Fund's performance before its capital increase and offering of new investment units. **Thus, the new investment units to be issued and offered for sale will not be eligible to receive this dividend.**

Please be informed accordingly.

Yours faithfully,
Digital Telecommunications Infrastructure Fund
By SCB Asset Management Company Limited
