

(Translation)

Ref. MONO 015/19

May 13, 2019

**Subject:** Notification of consideration result in regard to the license for the Use of Allocated Frequencies for National Commercial Digital Television held by Mono Broadcast Co., Ltd., a subsidiary of the Company.

**To:** President  
The Stock Exchange of Thailand

According to the National Broadcasting and Telecommunications Commission (“NBTC”) announcement of the criteria, method, and conditions to compensate for the return of the Digital TV license (“License”) which require digital TV operators who wish to return their license to inform in writing to the NBTC within May 10, 2019.

Mono Broadcast Co., Ltd. which is a subsidiary of Mono Production Co., Ltd. (The Company holds 99.99 percent share through Mono Production Co., Ltd.) would like to inform that Mono Broadcast Co., Ltd. “or MONO29 Channel” who hold licenses to use allocated frequencies for national commercial digital television services will continue operating their digital TV business on the license granted.

Please be informed accordingly.

Yours sincerely,

---

(Mr. Sang Do Lee)  
Chief Executive Officer
