Re : Financial Results for Second Quarter 2019

To : The Managing Director

The Stock Exchange of Thailand

The company would like to report on the operational results for second quarter 2019 as follows:

1. Revenues

Revenues from medical service totaled 430.71 Baht in million, representing an increase of 25.64 Baht in million, or 6.3% from the same period last year. Revenue from general medical service increased by 9.16 Baht in million, or 3.1% due to increase in patients. Moreover, revenue from Social Security program increased by 13.79 Baht in million, or 13.3%.

2. Expenses

Combined cost of medical care and administration expenses totaled 384.66 Baht in million, an increase of 15.96 Baht in million, or 4.3% from the same period last year. This was mostly due to acquiring specialist doctors and increasing of healthcare providers' salary and wage regarding the lack of professional staff in this industry. Medical supply has increased according to the number of patients. Moreover, according to Thailand's National Legislative Assembly (NLA) has amended the current Labour Protection Act (LPA). It has included a new and higher severance entitlement of 400 days wages for employees with over 20 years' service, this causes impact one-time expense for 13.13 Baht in million (10.50 Baht in million after-tax).

In the second quarter review, the company had the net profit of 37.04 Baht in million, representing an increase of 7.63 Baht in million, or 25.9% from the same period last year.

Please be informed accordingly.

Sincerely Yours,

(Mrs. Phortchana Manoch)

Vice - Chairman
