

Ref.No.IVL002/04/2020

29<sup>th</sup> April 2020

President  
The Stock Exchange of Thailand

Subject: Fire at the site of a third party utility supplier in Port Neches, Texas, the USA.

Indorama Ventures Public Company Limited (“**IVL**” or the “**Company**”) would like to inform that there has been a transformer explosion at the site of a utility company at Port Neches, Texas USA. All of our people are safe and there is no material impact to any of our sites due to this event. Limited part of our Integrated Oxides and Derivatives (IOD) site tripped with the grid and expected to resume full operation within next 48 hours.

Please be informed accordingly.

Yours faithfully,

(Mr. Souvik Roy Chowdhury)  
Company Secretary
