Approved the amendment of the Memorandum Association No. 4 to compliance with the increase of registered capital

No. 4. Registered Capital	269,420,722.50	Baht
Divided into	538,841,445.00	Shares
Par value per share	0.50	Baht
Divided by:		
Common Stocks	-	Shares
Preferred Stocks	-	Shares

2. Approved to purpose Extraordinary Meeting of Shareholders No.2/2020 to consider and approve increase registered capital from Baht 269,420,722.50 to Baht 1,211,342,674.50 therefore increased by 941,921,952.00 thus newly issue ordinary shares not exceed 1,883,843,904 shares (par value Baht 0.50) for (1) Rights Offering (2) Reserve for exercise rights in accordance to warrant to purchase ordinary shares of company No.4 (DIMET-W4) as issuance to existing shareholders by proportion of holding shares and (3) Support for adjustment of the exercise ratio of DIMET-W3 warrants in accordance with provisions on

rights and obligations of issuer of warrants. and warrant holders to purchase ordinary shares of Dimet (Siam) Public Company Limited No.3 (DIMET-W3), details are in Attachment 2.and amendment of the Memorandum Association No. 4 to compliance with the increase of registered capital by following details

No. 4. Registered Capital	1,211,342,674.50	Baht
Divided into	2,422,685,349	Shares
Par value per share	0.50	Baht
Divided by:		
Common Stocks	-	Shares
Preferred Stocks	-	Shares

3. Approve to purpose Extraordinary Meeting of Shareholders No.2/2020 to consider and approve allocation of newly issued ordinary shares as amount not exceeding 1,833,843,904 shares (par value of Baht 0.50) as follows:

3.1 Allocation of newly issued shares as amount not exceed 1,076,749,044 shares (par value of Baht 0.50) to existing shareholders as their name shown in record date as at September 15, 2020 at the ratio of 1 existing shares to 2 newly ordinary shares (any fraction will be discarded) and offering price of Baht 0.10 thus there is still uncertain on right due to await for approval from Extraordinary Meeting of Shareholders No.2/2020; company will set subscription date and receive payment of shares during October 22-29, 2020 (October 23-25, 2020 company's day off) during 9.00 – 3.00 pm. By following details

3.1.1 In case of having newly issued ordinary shares from the subscription of the existing shareholders according to their rights or have shares remaining under any circumstances then allocate and offer remaining shares to existing shareholders of company who subscribed on their rights at the same offering price thus authorized to Directors or Executives or Managing Director or any authorized person assigned by Board of Directors and/or Executives and/or Executive Chairman and/or Managing Director to be consider allocation and offering of remaining shares to existing shareholders who subscribed exceed their right in accordance with following criteria and conditions as follows:

(a) In case ordinary shares subscribed by shareholders exceed their rights then allocate by proportion of holding shares for each

shareholders until no shares left from allocation as Directors or Executives and/or Executive Chairman and/or Managing Director to consider as appropriate. By this, company will refund subscription fee of shares (without interest) for unallocated portion within 14 days from closing date if share subscription

(b) In case ordinary shares subscribed by existing shareholders less than remaining shares then shall allocate to existing shareholders who subscribed for ordinary shares in excess of their right and paid for such shares

(b.1) Allocate remaining shares by proportion of holding shares of shareholders as subscribe more than their rights thus calculate by taking the percentage of the existing shareholding of shareholders who subscribe more than each one multiply by amount of remaining shares which will equals to number of shares that each shareholder who subscribes in excess of their rights is entitled to allocation (any fraction will be discarded). By this, number of newly issued ordinary shares to be allocated will not exceed number of newly issued ordinary shares that each shareholder has subscribed to and paid for the shares in full.

(b.2) In case event that there are still remaining ordinary shares after the allocation under Clause (B.1) then company will allocate to the shareholders who subscribe for more than each of them who have not been allocated to the full amount of the subscription in excess of their rights in accordance with the method in (B.1) above until no shares left to allocate. By this, number of newly issued ordinary shares to be allocated will not exceed number of newly issued ordinary shares that each shareholder has subscribed to and paid for the shares in full.

Apart from this, allocation of newly issue ordinary shares to existing shareholders in any cases that must not cause subscribing shareholders beyond their rights to hold company's shares thus in manner falls within scope of Tender Office in accordance to announcement from Capital Market Supervisory Board No.ThorJor. 12/2554 Re: Rules, Conditions and Procedures for the Acquisition of Securities for Business Takeovers or violates foreign shareholding restriction as specified in Company's Article of Association

Details of the offering of the newly issued ordinary shares to the existing shareholders by Rights Offering this time appearing in Capital Increase Report Form (F 53-4) **Enclosure No.1** and information related to issuance and allocation of newly issued ordinary shares to existing shareholders by proportion of holding shares

**In this regard, date for determining the names of shareholders who are entitled to receive the offering of newly issued ordinary shares in the Rights Offering (Record Date) is September 15, 2020 however; determination of rights and such details is still**

**available. Uncertainty and subject to approval from Extraordinary Meeting of shareholders No.2/2020.**

- 3.1.2 Allocation of newly issued ordinary shares not exceed 806,553,591 shares as par value of Baht 0.50 in order to reserve rights of warrant no.4 as offering to existing shareholders of company (Rights Offering) That has been allocated newly issued ordinary shares who have subscribed and paid for subscription of newly issued ordinary shares of the Company in proportion to their shareholding without charge at the ratio of 1.335 newly ordinary shares to 1 unit of warrant (DIMET-W4) (any fraction will be discarded) thus exercise price equals to Baht 0.50 per share
- 3.1.3 Allocation of newly issued ordinary shares not exceed 541,269 shares as par value of Baht 0.50 in order to reserve right adjustment of right purchase newly issued ordinary shares of the company DIMET-W3 due to offering of newly issued ordinary shares by Rights Offering at price of lower than 90% of market price in accordance to provision of right and obligation of issuer and warrant holders to purchase ordinary shares of Dimet (Siam) Public Company Limited No.3 (DIMET-W3) ("Right Adjustment of DIMET-W3")

By this, in accordance to terms and conditions of warrants issuer and warrant holders to purchase ordinary shares of Dimet (Siam) Public Company Limited (DIMET-W3), Company's shares 7-15 days. The trading day consecutively prior to the first day that buyers of ordinary shares will not be entitled to subscribe to Rights Offering (the first day the SET announces the "XR" sign) (not applicable to the case of issuing warrants). Showing the right DIMET-W3 because the exercise price is equal to the market price or is added to the market price)

As of the Board of Directors Meeting; market price for calculating the right adjustment DIMET-W3 is still uncertain. The Company proposed allocation of not more than 541,269 shares to accommodate adjustment of rights DIMET-W3 calculated from possible circumstances. In case the number of shares proposed to Extraordinary Meeting of Shareholders to allocate for right adjustment DIMET-W3 is not enough. The company will propose to shareholders' meeting to approve the capital increase and allotment of additional shares to protect the rights of DIMET-W3 warrant holders

Approved to propose Extraordinary Meeting of shareholders No.2/2020 to consideration and approval to assign to the Company's Board of Directors or the Executive Committee of the Company or a director who has the power to act on behalf of the company or a person assigned by the board of directors of the company or from the Company's Executive Committee or from a director who has authority to act on behalf of the company has the power to define and change various details Related to the allocation of the newly issued ordinary shares and the allocation of warrants as follows:

**Remark:** Details on allotment for capital increase amount of 1,883,843,904 shares (par value of Baht 0.50) as offering to existing shareholders of company (rights offering) as amount of 1,076,749,044 shares (par value of Baht 0.10) or equal to Baht 107,674,904.40 thus reserve for exercise rights of DIMET-W4 as amount of 806,553,591 shares and newly issued shares to reserve exercise right of DIMET-W3 as amount of 541,269 shares by following details:

1. Allocate the newly issued ordinary shares up to 1,076,749,044 Shares at par value of 0.50 baht per share to be offered to the existing shareholders of the Company Whose names appear on the record date for the subscription of newly issued shares (Record Date) on September 15, 2020 at the ratio of 1 existing share to 2 new ordinary shares (In the event that there is a fraction of shares from the calculation to be discarded) at the offering price of 0.10 baht (ten satang), In which the company sets the subscription date And receive payment for capital increase shares during October 22-29, 2020 (October 23-25, 2020 is a public holiday) between 9:00 a.m. and 3:00 p.m. with details as follows:

1.1 In the event that there are remaining shares from the subscription of the existing shareholders according to their rights or have shares remaining under any circumstances Allocation and offering of the remaining shares to the existing shareholders of the company who have subscribed and paid for the ordinary shares over their rights. At the same asking price By authorizing Board of Directors or the Executive Committee or Chairman of the Executive Committee or Managing Director Or a person authorized by the Board of Directors and / or the Executive Committee And / or Chairman of the Executive Committee and / or the Managing Director is responsible for the allocation and offering of the remaining shares to the existing shareholders who subscribe and pay for the shares subscribed in excess of their rights in accordance with the following criteria and conditions.

- (a) In case ordinary shares subscribed by shareholders exceed their rights then allocate by proportion of holding shares for each shareholders until no shares left from allocation as Directors or Executives and/or Executive Chairman and/or Managing Director to consider as appropriate. By this, company will refund subscription fee of shares (without interest) for unallocated portion within 14 days from closing date if share subscription
- (b) In case ordinary shares subscribed by existing shareholders less than remaining shares then shall allocate to existing shareholders who subscribed for ordinary shares in excess of their right and paid for such shares

- (b.1) Allocate remaining shares by proportion of holding shares of shareholders as subscribe more than their rights thus calculate by taking the percentage of the existing shareholding of shareholders who subscribe more than each one multiply by amount of remaining shares which will equals to number of shares that each shareholder who subscribes in excess of their rights is entitled to allocation (any fraction will be discarded). By this, number of newly issued ordinary shares to be allocated will not exceed number of newly issued ordinary shares that each shareholder has subscribed to and paid for the shares in full.
- (b.2) In case event that there are still remaining ordinary shares after the allocation under Clause (B.1) then company will allocate to the shareholders who subscribe for more than each of them who have not been allocated to the full amount of the subscription in excess of their rights in accordance with the method in (B.1) above until no shares left to allocate. By this, number of newly issued ordinary shares to be allocated will not exceed number of newly issued ordinary shares that each shareholder has subscribed to and paid for the shares in full.

Apart from this, allocation of newly issue ordinary shares to existing shareholders in any cases that must not cause subscribing shareholders beyond their rights to hold company's shares thus in manner falls within scope of Tender Office in accordance to announcement from Capital Market Supervisory Board No.ThorJor. 12/2554 Re: Rules, Conditions and Procedures for the Acquisition of Securities for Business Takeovers or violates foreign shareholding restriction as specified in Company's Article of Association

Details of the offering of the newly issued ordinary shares to the existing shareholders by Rights Offering this time appearing in Capital Increase Report Form (F 53-4) Enclosure No.1 and information related to issuance and allocation of newly issued ordinary shares to existing shareholders by proportion of holding shares Enclosure No.2

**In this regard, date for determining the names of shareholders who are entitled to receive the offering of newly issued ordinary shares in the Rights Offering (Record Date) is September 15, 2020 however; determination of rights and such details is still available. Uncertainty and subject to approval from Extraordinary Meeting of Shareholders.**

- 1.2 Allocation of newly issued ordinary shares not exceed 806,553,591 shares as par value of Baht 0.50 in order to reserve rights of warrant no.4 as offering to existing shareholders of company (Rights Offering) That has been allocated newly issued ordinary shares who have subscribed and paid for subscription of newly issued ordinary shares of the Company in proportion to their shareholding without charge at the ratio of 1.335 newly ordinary shares to 1 unit of warrant

(DIMET-W4) (any fraction will be discarded) thus exercise price equals to Baht 0.50 per share

- 1.3 Allocation of newly issued ordinary shares not exceed 541,269 shares as par value of Baht 0.50 in order to reserve right adjustment of right purchase newly issued ordinary shares of the company DIMET-W3 due to offering of newly issued ordinary shares by Rights Offering at price of lower than 90% of market price in accordance to provision of right and obligation of issuer and warrant holders to purchase ordinary shares of Dimet (Siam) Public Company Limited No.3 (DIMET-W3) ("Right Adjustment of DIMET-W3")

By this, in accordance to terms and conditions of warrants issuer and warrant holders to purchase ordinary shares of Dimet (Siam) Public Company Limited (DIMET-W3), Company's shares 7-15 days. The trading day consecutively prior to the first day that buyers of ordinary shares will not be entitled to subscribe to Rights Offering (the first day the SET announces the "XR" sign) (not applicable to the case of issuing warrants). Showing the right DIMET-W3 because the exercise price is equal to the market price or is added to the market price)

As of the Board of Directors Meeting; market price for calculating the right adjustment DIMET-W3 is still uncertain. The Company proposed allocation of not more than 541,269 shares to accommodate adjustment of rights DIMET-W3 calculated from possible circumstances. In case the number of shares proposed to Extraordinary Meeting of Shareholders to allocate for right adjustment DIMET-W3 is not enough. The company will propose to shareholders' meeting to approve the capital increase and allotment of additional shares to protect the rights of DIMET-W3 warrant holders

Approved to propose shareholders' meeting for consideration and approval to assign to the Company's Board of Directors or the Executive Committee of the Company or a director who has the power to act on behalf of the company or a person assigned by the board of directors of the company or from the Company's Executive Committee or from a director who has authority to act on behalf of the company has the power to define and change various details Related to the allocation of the newly issued ordinary shares and the allocation of warrants as follows:

- (1) Consider determining, revising or changing conditions and details of the allocation of newly issued ordinary shares and the allocation of warrants. This includes, but is not limited to, the list of shareholders entitled to subscribe for the newly issued ordinary shares. Offer period Payment of shares and setting terms, conditions and other details Related to the allocation of the newly issued ordinary shares And the issuance date of the warrant And the allocation of warrants, etc.

- (2) Negotiate, make agreements and sign documents and contracts Related As well as perform any other necessary actions in connection with the allocation of the newly issued ordinary shares And the allocation of such warrants

- (3) Sign any documents or requests for permission and evidence necessary and relevant to the allocation of the newly issued ordinary shares And the allocation of such

warrants, including contacting and submitting an application Such documents and evidence to the relevant supervisory authority. And the introduction of the newly issued ordinary shares and warrants and the newly issued ordinary shares arising from the exercise of the said warrants are listed on the Stock Exchange of Thailand. It also has the power to take any other action necessary for the allocation of the newly issued ordinary shares. And the allocation of such warrants

1.2 In the event that there is a fraction of shares from the allocation of the newly issued ordinary shares to the existing shareholders according to their shareholding proportion (Right Offering) and / or the allocation of the Warrants at this time, the Company will round off the whole amount.

Registrar	Thailand Securities Depository Company Limited

## 2. Dilution effect to shareholders from issuing and offering warrants to the existing shareholders

In the case that the existing shareholders fully exercise the warrants (DIMET-W4) in total of 806,553,591 units, the price of company's shares (Price Dilution) will be diluted by 7.44% on the assumption that the market price of Baht 0.30 per share, calculated from the average weight closing price of the last 7 business days before the Board of Directors' Meeting (as of August 31, 2012), but there would not affect profit or voting rights of the existing shareholders (Control Dilution). The details as follows;

### - Price Dilution

$$= \frac{(\text{Market Price} \times \text{Paid up Shares}) + (\text{Price of RO} \times \text{Amount of RO}) + (\text{Exercise Price} \times \text{DIMET-W4 reserved shares})}{(\text{Paid up Shares} + \text{Amount of RO} + \text{DIMET-W4 reserved shares})}$$

$$= \frac{(0.3 \times 53,374,522) + (0.1 \times 1,076,749,044) + (0.5 \times 806,553,591)}{(53,374,522 + 1,076,749,044 + 806,553,591)}$$

$$= \frac{672,464,056.50}{2,421,677,157}$$

$$= 0.277685262$$

$$\text{Price dilution} = \frac{\text{Market Price} - \text{Market Price (After sell)}}{\text{Market Price}}$$

$$= \frac{(0.3 - 0.22768526280401)}{0.30}$$

$$= \frac{0.0723147371959899}{0.30} = 7.4382\%$$

However, in the case that the existing shareholders would not exercise the warrants (DIMET-W4) and its all warrants 806,553,591 units which affect proportion of benefit by control dilution of 59.97 percent (decreased) by follow calculation

### - Control Dilution

$$= \frac{\text{Amount of reserve share for W4}}{(\text{Amount of Paid up shares} + \text{Amount of reserve share for W4})}$$

$$= \frac{806,553,591}{(53,374,522 + 806,553,591)}$$

$$= 0.59970015$$

$$\text{Control Dilution} = 59.9700\%$$

In addition, Dilution Effect above mentioned happened when company has offered newly issued shares to existing shareholders (RO) and exercise right according to DIMET-W4

Calculation on proportion of shareholding

= ((amount of reserve shares) + amount of reserve shares of CD or warrant excluded ESOP CD or ESOP warrant (total shares sold of company which includes amount of newly issued shares together with warrant)

$$= \frac{466,923 + 541,269 + 806,553,591}{538,841,445 + 1,076,749,044} \times 100$$

$$= \frac{807,561,783}{1,615,590,489} \times 100$$

$$= 49.99\%$$
