Subject Appointment as Thailand's Strategic Partner of China Post Yunnan of China Post Group and the General Sales Agent (GSA) of China Postal Airlines, a state-owned enterprise of the People's Republic of China

To President,  
The Stock Exchange of Thailand

Leo Global Logistics Public Company Limited ("**The Company**") is pleased to inform you that the Company has signed the strategic business collaboration agreement and been appointed as Thailand's Strategic Partner of China Post Yunnan (China Post), China Post Group, a state-owned enterprise of the People's Republic of China, to develop and expand the air freight business of the mail and small Parcel service, especially the development of Cross Border / International air transportation for e-commerce products. This includes traffic either from China to Thailand or Thailand to China.

In addition, the Company has been appointed as the General Sales Agent (GSA) of China Postal Airlines, a leading China national cargo airline with fleet of freighter aircrafts. China Postal Airlines provides air transportation service from Bangkok to Kunming, China by Boeing 757 Freighter, with plan of operating at least 3 flights per week.

The signing of strategic business collaboration agreement with China Postal Airlines this time will help the company to utilize China Postal Airlines extensive infrastructure and networks to strengthen the postal logistics link between Thailand and China as well as the world. The Company will also contribute to and benefit from China Postal Airlines' services to develop and expand its air freight business which is related to mail and small parcel, especially for Cross Border/International services for e-commerce products, and expect significant growth in terms of revenue, customer base and cargo volume.

Please be informed accordingly.

Yours sincerely,

(Mr. Kettivit Sittisoontornwong)  
Chief Executive Officer
