Ref. BOD014/2021

29 July 2021

RE: Partially suspension of operations due to force majeure
To: President,
The Stock Exchange of Thailand

Nok Airlines Public Company Limited (the “**Company**”) would like to inform on the partially suspension of operations due to force majeure. As instructed under the Declaration of Emergency Situation in all areas of the Kingdom of Thailand and the requirements issued under Section 9 of Emergency Decree on Public Administration in Emergency Situations B.E. 2548 (No.28) dated 17 July 2021, limiting the movement of people and public transportation as well as according to the Civil Aviation Authority of Thailand (CAAT) announcement on the operation for Airport and Airline operators during the current Covid-19 pandemic situation (no.3), it is officially prohibited for passenger flight operations in certain restricted areas, and strictly prohibiting for passenger flight operations in Red areas, from 21 July 2021 until end of the situation or further announcement.

The Company try to utilize all remedial measures and hope that the situation will recover to normal soon. As the situation still has not recovered, the Company needs to partially suspend some businesses due to force majeure from 1 August 2021. However, the Company will still operates partially for some routes as much as we can to support all necessary passengers’ travel needs. The passenger who needs to travel can check for our current operation routes at www.nokair.com. When the emergency situation changed, the Company will report to The Stock Exchange of Thailand.

Please be informed accordingly.

Sincerely yours,

-Wutthiphum Jurangkool-
